Other Fee Assessments

Effective January 1, 2022

Service	Fee	Explanation
International Adoptive Home Study	Adoptive Home Study fees +\$500	Clients seeking an International Adoptive Home Study will follow the fees for an adoptive home study paying the registration fee and adoptive home study fee. In addition, clients will pay a fee to cover additional Hague Compliant Adoption Education and one additional post-adoption supervision visit and report. Additional post-adoption supervision visits will be billed separately.
Adoptive Home Study Update/Revision (Circumstantial)	\$475-\$575	The Indiana Family & Social Services Administration considers an adoptive home study to be valid for one (1) year. If a child has <u>not</u> been placed with Client(s) by the 1 year anniversary date, <i>Adoptions of Indiana</i> will update the adoptive home study. An adoptive home study requires updating if there is a substantial change in the family or their living environment. An example of this would be a change in the prospective adoptive family's health, financial status, or if the family has moved to another residence after the document has been completed. An adoptive home study requires revision if a prospective adoptive family chooses to change the type of placement they are requesting. An example of this would be a change of age range, race, or changing to request a special needs placement after the document has been completed.
Additional Post-Placement Visits	\$300/each	Post-placement supervision services are a required service and are included in the Adoption Preparation fees. Two post-placement supervision visits are included in your fee package. Additional post-placement supervision visits may be required and are at the sole discretion of the agency staff. If more visits are required (i.e. Agency concern or sending State's requirements) additional post placement visits will be billed individually.
Expediting Fee	\$630	Expediting is necessary <u>only</u> when a placement is within six weeks and the adoptive home study has not yet been initiated. <u>Fee is due with the initial payment.</u>
Expenses	Per item \$50/hr. staff travel .65/mi. .65/mi.	In addition to fees paid in prior sections, Client(s) shall be responsible to reimburse <i>Adoptions of Indiana</i> for any expenses incurred by the agency on their behalf, such as out-of-pocket expenses for such things as, but not limited to, parking fees, criminal clearances, Federal Express, express mail, and courier services. When agency staff are required to travel to other locations (eg. Client's homes [expectant/birth parent or adoptive parents], hospitals, and other locations) there is a staff travel fee. <u>Two hours of staff travel are included in the Adoption Preparation fees.</u> After two hours Clients will be billed for staff professional travel along with mileage reimbursement @ .60/mi. Agency Full Placement clients are not charged for staff professional travel time or mileage fees to meet expectant parents or birth parents. These expenses are covered in networking and match fees as cost sharing within our client base. (Continued next page)

		Clients with an Agency Assisted Adoption are not charged for staff professional travel time to meet expectant parents or birth parents. They are, however, charged for mileage at the current rate/mi. Please note that mileage charges will continue to accrue when AOI staff are providing post-placement counseling to birth mothers even after finalization. A retainer may be requested at placement to cover post-adoption mileage costs.
Returning Client Adopt. Prep. + PP Services	\$2,500–\$2,725	Clients returning to <i>Adoptions of Indiana</i> for a subsequent Domestic or International Adoptive Home Study and Post-Placement Services discount.
